EXHIBIT "A"
OFFICIAL NOTICES

Information received by the county board, including from an onsite investigation, indicates the existence of an unmanaged black-tailed prairie dog colony on property owned by you at: _____. The method of management recommended by the county board is as follows: _____. Other appropriate management methods are acceptable if approved by the county board.

State law specifies a duty of each person who owns or controls property within a county that has adopted a coordinated program for the management of black-tailed prairie dogs under section 23-3803 to manage black-tailed prairie dog colonies present upon his or her property to prevent the expansion of colonies to adjacent property unless the owner of the adjacent property waives objection in writing to such expansion. You must provide notice and evidence to the county board within sixty days after the date specified at the bottom of this notice that appropriate management as specified in this notice, or alternative management that is approved by the board, has been initiated. If services for the management of black-tailed prairie dogs are not available within the sixty-day period specified in this notice, you may satisfy this notice by providing evidence that you have arranged for management to occur when available. If such notice and evidence are not received by the county board within sixty days after the date specified at the bottom of this notice, the county board or its agent may enter upon your property for the purpose of taking the appropriate management measures. Costs for the management activities performed by the county board shall be at the expense of the owner of the property and shall become a lien on the property.

If the county board receives a written request from you within fifteen days after the date specified at the bottom of this notice, you are entitled to a hearing before the county board to challenge this notice.
